Meet your Nurse Practitioner

Jesica Naranjo, FNP-C

Education: Chamberlain University

Board Certification: American Academy of Nurse Practitioners

Jesica is a Board-Certified Nurse Practitioner with over 10 years' experience in the healthcare field, primarily working with the geriatric population. She received her FNP degree from Chamberlain University and plans to pursue her doctorate degree.

Jesica chose a career in healthcare because she is passionate about helping and caring for others in need. She is bilingual in English and Spanish, as she is originally from South America and travels back often.

While away from work, Jesica enjoys spending her free time staying active, horseback riding, traveling to new places, trying new restaurants and spending quality time with her husband and three children. If she could, she would spend all her time at the beach.
