Meet your Clinical Social Worker

McKaye Weller, LCSW

Education: University of Utah

McKaye is a Licensed Clinical Social Worker who earned her undergraduate degree from Utah Valley University and her graduate degree from the University of Utah. In addition to her formal education, she is certified in EMDR and Accelerated Resolution Therapy, both therapeutic approaches used to support deep healing and transformation.

Previously, McKaye provided psychotherapy to individuals across all age groups, focusing on helping clients understand their worth and heal from both past and present challenges. While she enjoys working with a broad range of clients, she has always had a special passion for serving the senior population.

Outside of work, she loves spending time with her sweet husband and family, trying new foods, and watching her favorite TV shows. Originally from Oakley, Utah, McKaye also enjoys playing sports, doing recreational activities with her family, and finds peace relaxing at Lake Powell. She is also a licensed cosmetologist often using her skills to do hair for loved ones. Some might even call her a “hair-apist.”
